INSTRUCTIONS FOR FILING

APPLICATION

Complete **all** pages of the application.

Failure to provide all the requested information will delay the processing of your application.

RELEASE OF INFORMATION

If an agency or individual is assisting you with the licensure process, we will not be able to release any information to them unless you provide us with authorization. If you wish to do so, please complete the portion on **Release of Information to Third Party**, sign and date it.

SOCIAL SECURITY NUMBER

Your Social Security Number is used to verify your identity for licensing purposes and for compliance with the below laws. **For a license to be issued you must provide your Social Security Number or your application will be deemed deficient and will not be processed further.**

(CONTINUED ON PAGE 2)

(cont'd)
SOCIAL
SECURITY
NUMBER

The following laws require that you furnish your Social Security Number to our agency:

FEDERAL LAWS:

42 U.S.C.A. §666(a)(13) requires the Social Security Number of any applicant for a professional license or occupational license be recorded on the application for license; and if you are a licensed health care practitioner, **45 C.F.R., Part 61, Subpart B, §61.7** requires the Social Security Number as part of the mandatory reporting we must do to the Healthcare Integrity and Protection Data Bank (HIPDB), of any final adverse licensing action against a licensed health care practitioner.

HAWAII REVISED STATUTES ("HRS"):

§576D-13(j), HRS requires the Social Security Number of any applicant for a professional license or occupational license be recorded on the application for license; and **§436B-10(4), HRS** which states that an applicant for license shall provide the applicant's Social Security Number if the licensing authority is authorized by federal law to require the disclosure (and by the federal cites shown above, we are authorized to require the Social Security Number).

FEES

Attach the \$50 non-refundable application fee for each application filed. Additional fees will be assessed after Board approval and passage of the examination. Make checks payable to: "COMMERCE AND CONSUMER AFFAIRS". (check must be in U.S. dollars and be from a U.S. financial institution.)

NOTE: *One of the numerous legal requirements that you must meet in order for your new license to be issued is the payment of fees as set forth in this application. You may be sent a license certificate before the payment you sent us for your required fees is honored by your bank. If your payment is dishonored, you will have failed to pay the required licensing fee and your license will not be valid, and you **may not** do business under that license. Also, a \$25.00 service charge shall be assessed for payments that are dishonored for any reason.*

If for any reason you are denied the license you are applying for, you may be entitled to a hearing as provided by Title 16, Chapter 201, Hawaii Administrative Rules, and/or Chapter 91, Hawaii Revised Statutes. Your written request for a hearing must be directed to the agency that denied your application, and must be made within 60 days of notification that your application for a license has been denied.

EXPERIENCE

A minimum of 4 years of supervisory experience within the past 10 years immediately preceding the filing of an application is required.

**EXPERIENCE
CERTIFICATES**

Submit not less than 3 notarized certificates in support of supervisory experience with application. If applying for more than one classification, submit at least one experience certificate for each classification. (*No two certificates in the same classification shall be from the same person.*) Inform the person completing your experience certificate that they must describe in detail your experience performing on-site supervision and direction of employees in the classification you are applying for.

**CHRONOLOGICAL
HISTORY OF
PROJECTS FORM
("PROJECT LIST")**

Submit a Project List as documentation of the applicant's previous supervisory work experience. Use as many pages as necessary to verify your four (4) years of supervisory experience. The Project List may be duplicated and is available on the Contractor License Board's website at:

http://cca.hawaii.gov/pvl/boards/contractor/application_publication. Click on "Chronological History of Projects Form".

- The "Contract Amount" stated should be commensurate with information stated in the "Detailed Description of the Work You Supervised".
- The "Amount of Supervisory Experience" should only include the actual amount of time spent on-site supervising your own crew. Do not include time spent for design, ordering materials, scheduling of downtime for rain-outs or waiting for delivery of materials.

Applicants who possess licensed experience in another state should provide proof of licensure, but will still be required to submit not less than 3 certificates in support of supervisory experience and the Project List.

Certain technical training may be approved as acceptable experience, but in no case shall the training count for more than one year of experience.

In lieu of experience, the RME shall submit proof of successful completion of a 4-day Environmental Protection Agency (EPA) or Board approved asbestos training course within two years prior to filing the application.

If a partner or member is a business entity, submit credit reports on the entity's officers or the business entity's credit report (i.e. Comprehensive Dun & Bradstreet report) covering at least the previous 5 years.

A complete credit report must contain, at minimum, detailed account information on each of your current and past debts, the status of those debts, whether you are current or delinquent in paying any of those debts, and the existence or not of any public records. A credit report that only provides a summary or a credit score is not a complete credit report. ATTENTION: CONTRACTORS APPLYING FOR ELECTRICAL OR PLUMBING RELATED CLASSIFICATIONS

Please be advised that in order to perform **electrical or plumbing** work in Hawaii, **an individual must also obtain an electrician (i.e. ES or EJ) or plumber (PM or PJ) license.** IF you are not licensed as an electrician or plumber in accordance with HRS Chapter 448E, the contractor entity (your employer) must employ a licensed electrician or plumber to actually perform the electrical or plumbing work. (Refer to Hawaii Revised Statutes, Section 444-9.5 and Chapter 448E). **YOU MAY NEED THIS TYPE OF LICENSE TO GET A BUILDING PERMIT.**

MAINTAINING THE LICENSE

MAINTAIN INSURANCE Contracting entities must maintain continuous insurance coverage throughout licensure and keep on file in the Board's office evidence of such coverage.

Failure to maintain continuous liability and workers' compensation coverages causes automatic forfeiture of the contracting entity and RME license, and if continuous coverage is not reinstated within sixty (60) days, shall require the entity and RME to apply as a new applicant.

Please inform your insurance agent that using the Insurance Certificate Electronic Online Submittal System at: pvl.ehawaii.gov/inikua provides faster processing of your contractor insurance certificates.

ENTITY-RME DEPENDENCY RMEs who leave an entity shall notify the Board within sixty (60) days and apply to become a contracting entity, obtain employment with another contracting entity or file an application to place the license on an inactive status within ninety (90) days. Failure to do so within the required time period will cause **automatic forfeiture** of the license.

BIENNIAL RENEWAL All licenses, regardless of issuance date, are subject to renewal by **September 30 of each even-numbered year**. To ensure receipt of a renewal application, keep the Board informed of your address. (RME renewal applications will be sent to the entity's address.) Applications are sent by mail before August 15, of each even-numbered year. Licenses not renewed by September 30 are forfeited and the holders of a forfeited license are considered unlicensed and may not practice. Restorations of forfeited licenses are accepted until November 30 of the even-numbered year with a penalty fee. After November 30, restoration is not accepted and a new application for a license is required.

Use as many pages as necessary to verify your four (4) years of supervisory experience. The Project List may be duplicated and is available on the Contractor License Board's website:

http://cca.hawaii.gov/pvl/boards/contractor/application_publication. Click on "**Chronological History of Projects Form**".

Submit a separate Project List **for each classification** the applicant intends to engage. Only include work experience performing on-site supervision and direction of employees.

Please ensure that the Project List is filled out completely (provide information in each column of the form) and that it includes the following:

- A description of your supervisory work experience performed in-house, with your own crew; and work or trades that were subcontracted to other contractors; and the means and methods of each project listed.
- The "Contract Amount" stated should be commensurate with information stated in the "Detailed Description of the Work You Supervised".

Pursuant to §436B-9, Hawaii Revised Statutes, your application shall be considered abandoned and shall be destroyed if you fail to provide evidence of continued efforts to complete the licensing process for two consecutive years. The failure to provide evidence of continued efforts includes, but is not limited to:

- (1) failure to submit any required information and documents requested by the licensing authority within two consecutive years from the last date the documents and information were requested, or
- (2) failure to complete any additional requirements for licensure that remain after approval of your application, such as attempting to complete an examination requirement, within two consecutive years from the date your application was approved, or
- (3) failure to provide the licensing authority with any written communication during two consecutive years indicating that you are attempting to complete the licensing process.

If an application is deemed abandoned, the applicant shall be required to reapply for licensure and comply with the licensing requirements in effect at the time of the reapplication.

Frequently Asked Questions regarding Abandoned Applications

- 1) Q: If after receiving my application the board or program requests additional information, how much time do I have to provide them with the requested information before my application is deemed abandoned?
A: You have two years from the date the information is requested.

- 2) Q: If I am an applicant who is required to take a licensing examination in order to complete the licensing process and my application to take the licensing examination is approved, how much time do I have to complete the examination requirement before my application is abandoned?
A: You must make an attempt to take the examination within two years from the date your application is approved.

- 3) Q: What is meant by "attempt to take the examination?"
A: You must register and take the examination.

- 4) Q: If the statutes or rules of the boards or programs do not set time limits on taking and passing the examination, and the only requirement left for me to become licensed is to pass the examination, and within the two year period I should fail the examination, re-register for the examination, but fail again, will my application be abandoned because I could not pass the examination within two years?
A: Your application will not be abandoned because you would have demonstrated your efforts to take the examination by registering for and taking the examination.

(NOTE: Our office will only be notified of your efforts if you take the examination as a Hawaii candidate. Examination results will not automatically be provided to our office if you sit for the examination via another state board. Therefore, if you are in this situation, please arrange for the test results to be sent to us).

- 5) Q: What does it mean if my application is abandoned?
A: It means that your application is no longer valid, will be destroyed, and you shall be required to reapply and comply with the requirements for licensure at the time of the reapplication. To reapply, you must submit a new application and you will be required to comply with the licensing requirements and pay fees that are in effect at the time you submit your new application.

- 6) Q: Will you be providing a notice to me before my application is abandoned?
- A: It is not required that we notify you before your application is abandoned. However, some boards and programs have taken the initiative to send out notifications.
- 7) Q: Will any of the documents that supplemented my first application be saved in case I need to reapply?
- A: No. When you reapply, you will need to again provide us with documentation.
- 8) Q: Will the application fee that I paid with my first application carry over to cover the application fee for my new application?
- A: No. You will be required to again pay the non-refundable application fee.
- 9) Q: If my application has not been destroyed does this mean that it has not yet been deemed "abandoned?"
- A: No. Simply because an application has not been destroyed does not mean that it has not been deemed abandoned.
- 10) Q: If I am currently unable to complete the licensing process (eg., no continued effort), how do I prevent my application from being abandoned?
- A: You have two years to complete the licensing process. However, if you are unable to show continued effort for two consecutive years but you still intend to complete the licensing process, you must send a written communication to the board or program **prior** to the two year expiration explaining why you are unable to complete the licensing process within two years. Your written communication shall also request approval to complete the licensing process by a specific date after the two year expiration. You will be advised whether your request is approved or disapproved. If disapproved, your application will be destroyed and you will need to reapply for licensure.
- 11) Q: Who do I contact to find out if my application is soon to be abandoned?
- A: You may contact the Licensing Branch at (808) 586-3000.
